

Commercial, public, multi-family properties

up to \$25-per-station discounts for smart controllers

New construction now qualifies!

Discounts are no longer limited to the replacement of existing controllers! Suppliers and contractors may now offer this point-of-purchase discount to all commercial, multi-family and public customers.

Automatically adjust
watering schedules
as the weather changes.

Improve landscape
health and appearance.

Reduce runoff.

HERE'S HOW

Before purchasing a new controller(s), request a discount voucher. Call 800-986-4538 (option 2, 5) to determine property eligibility and voucher availability or go to www.sdcwa.org/manage/conservation-overview.phtml to download the voucher application.

- Vouchers must be presented at the time of purchase.
- The voucher will be treated like a coupon by participating suppliers and/or contractors.
- Contractors may request vouchers with property owner's/manager's written authorization.
- Participating customers agree to an on-site installation verification.
- Funding is limited and vouchers are distributed on a first-come, first-served basis.

GUIDELINES

- Qualifying properties must have at least 2,000 square feet of irrigated landscape.
- Controllers must be selected from the current list of eligible models.
- Maximum 48 stations per controller.
- Controllers must be installed by qualified C-27 licensed contractors from the list of contractors provided by manufacturers. (This requirement does not apply to properties with in-house landscape maintenance staff.)

NO REBATES!

- There are no rebates available for previously purchased commercial or new construction controllers.
- Voucher discounts apply only at the time of equipment purchase.

FREE WATER MANAGEMENT REPORTS

When you participate in the Smart Landscape Program, your property may receive water budget information. It's a service that helps property owners and managers control water-related expenses by comparing the amount of water used with the optimal amount needed. Offered in select areas only. Please call your water agency for availability.

CALL TOLL-FREE: 800-986-4538 (option 2, 5)

or go to www.sdcwa.org/manage/conservation-overview.phtml.

Participating Agencies: Carlsbad Municipal Water District, City of Del Mar, City of Escondido, Fallbrook Public Utility District, Helix Water District, Lakeside Water District, City of Oceanside, Olivenhain Municipal Water District, Otay Water District, Padre Dam Municipal Water District, City of Poway, Rainbow Municipal Water District, Ramona Municipal Water District, Rincon del Diablo Municipal Water District, City of San Diego, San Dieguito Water District, Santa Fe Irrigation District, Sweetwater Authority, Vallecitos Water District, Valley Center Municipal Water District and Vista Irrigation District.

Do you have a list of irrigation repairs or upgrades but no budget?

HERE'S HOW

Applications are available: from irrigation equipment suppliers; at www.sdcwa.org/manage/conservation.phtml; or by calling 800-986-4538 (option 2, 5).

4 Easy Steps

- Submit a grant application. We'll contact you about your application within 10 days of receipt.
- Complete installation within 60 days of approval notification.
- Fax, e-mail or mail receipts.
- Schedule an appointment to confirm installation.

GUIDELINES

- Funding is limited and grants are issued on a first-come, first-served basis.
- Grants may not exceed \$2,500 per irrigated acre.
- Grant funds are not available for labor, plant materials, delivery or installation.
- Hardware and/or equipment must be installed by a California licensed contractor with a C-27 landscaping classification. (This requirement does not apply to properties with in-house landscape maintenance staff.)
- FREE Water Management Reports! When you participate in the Smart Landscape Program, your property may receive water budget information. (See other side.)

We offer grants up to **\$5,000**

for commercial, public or multi-family properties.
Public properties may receive up to \$10,000.
